Signature Events

Hackley Distinguished Lecture Series presenting a locally-known expert in the Humanities on subjects of interest to the community during the month of May each year.

Bling Thing, a vast collection of gently worn jewelry and accessories for both women and men, is offered for sale each year during February.

Annual Used Book Sale held annually in April of each year offering great bargains to the public, collectors and dealers alike.

Candlelight Evening, held in early December at the Library, is our signature social gathering of the year celebrating the Holiday season with our many Members, Sponsors and Benefactors.

HACKLEY
Public Library

Everything imaginable

Helping to keep the Hackley legacy alive for the benefit of the greater Muskegon Community!

Who we are

The Friends of Hackley Public Library was established in 1973 as an independent non-profit charitable 501(C)3 corporation dedicated to promote, support and benefit the library through memberships, fundraising projects, events and other activities designed to enrich our community.

What we do

Past Accomplishments:

- \$190,000 for Torrent House acquisition and renovations
- \$120,000 for stained glass window restoration
- \$104,000 for Youth Services Department renovations
- Helped underwrite thousands of library programs and activities that enrich our community

Current activities/ projects

- Approximately \$35,000 donated annually to support library programs, activities and special projects
- Friends recently took on a new project to renovate and furnish a much-needed community gathering space in the Library's lower level. Projected cost of the project is \$100,000. This space will be available to community groups and organizations and to the Library for meetings, workshops and training. The community gathering space will open new opportunities to bring people together in downtown Muskegon and support local organizations.

Opportunities for sponsorship

Friends is embarking on a new phase in our efforts to increase membership and participation towards maintaining Charles Hackley's great legacy to the Muskegon Community. We believe the business and professional communities, as well as many individuals, will step forward to help us by joining the Friends Sponsorship program outlined on the next panel.

We ask that you consider the possibility to become an annual Friends Sponsor by selecting a sponsorship level shown to the right. You will have several opportunities to be recognized for your support.

Sponsorship program

Champion Sponsor \$1500

Recognition as a "Friends Champion" at all Friends events throughout the year and on our Friends website; name and logo prominently displayed on signage and in event programs; two complimentary invitations to the Candlelight Evening, Bling Thing and Book sale pre-sale events and the Hackley Lecture; all benefits that accrue to individual Event Sponsors.

Event Sponsor \$250 per event

- **Hackley Distinguished Lecture**, mid May—venue to be announced. Recognition in event program and on signage, reserved seating.
- **Bling Thing**, early February at Century Club Ballroom. Recognition on signage at event; two complimentary invitations to member-only pre-sale evening; sponsored jewelry or refreshment table at event.
- **Annual Used Book Sale**, mid April at the LST (Mart Dock). Recognition on signage at event; two complimentary invitations to member-only pre-sale party; sponsored table at event (i.e. Popular Authors sponsored by XXX Corporation).
- **Candlelight Evening**, early December at Hackley Public Library. Recognition on signage at event; two complimentary invitations to dinner.

Friends Corporate Member \$100

Recognition as such and receive newsletters and invitations to all events.
